Architectural Experience

Owen Architecture, pllc Architect / Intern Architect 2003 - present
Winston-Salem, North Carolina

Specializing in commercial architecture in and around western North Carolina, while paying particular attention to the rehabilitation, adaptive reuse, and repurposing of older buildings. Since the inception of the North Carolina Rehabilitation Code Owen Architecture has completed over 100 code reviews of older buildings for new uses, many of which have gone on to be completed and made viable commercial endeavors.

Construction Experience

Unique Structures, Inc. Framers 2001 - 2003
Charlotte, North Carolina

In addition to providing valuable firsthand experience with construction materials and methods, working in the field afforded the opportunity to develop the skills necessary for communicating with contractors and clients. The crew built single family residences ranging in size from 2,500 sf to over 6,000 sf, renovated apartments, and volunteered time to help several nonprofit organizations update their buildings per ADA guidelines.
